SAP

# Wachstum Jahr 1 ReDI Munich

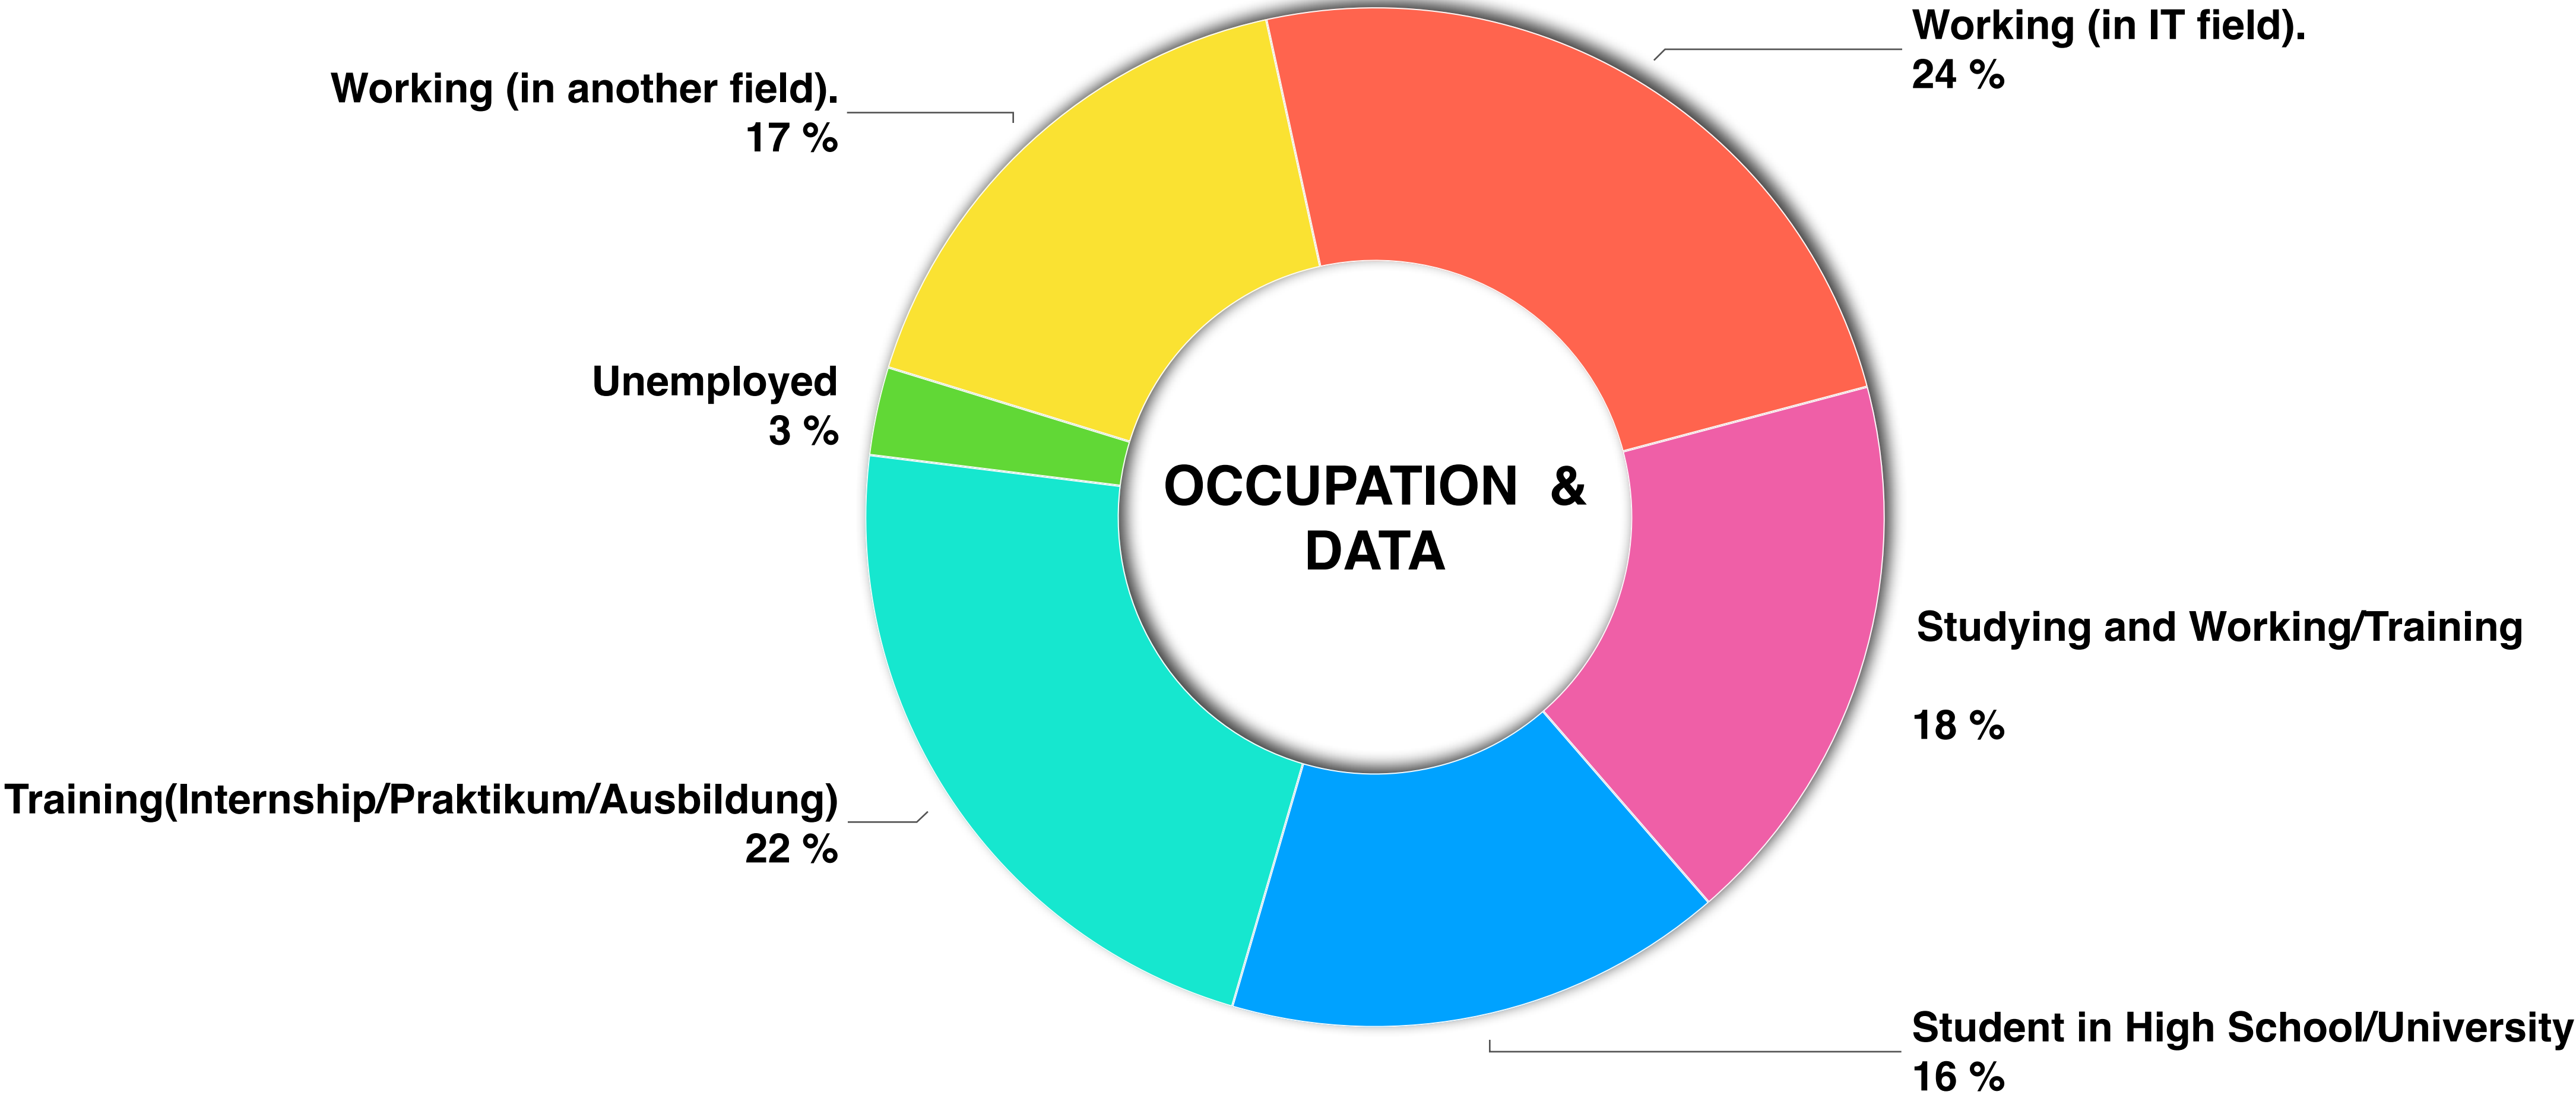

# Arbeitsmarktintegration Spring Semester

- Learning German Language
- Student in High School/University
- Training (Internship/Praktikum/Ausbildung)
- Unemployed
- Working (in another field)
- working (in IT field)

# Arbeitsmarktintegration Autumn Semester 2019

-The tracking process included students from the last 3 semesters (in total 244), However, We could track 116 so far.  
About 30 of them who filled the form... the others been tracked by LinkedIn and other sources

Note:  
- Some students studied with us for 2 semesters.  
- Some students had two courses in one semester.

# Vielen Dank!
